We purchase our Tea and Coffee from a firm whose members have grown old in the service and have become expert in selecting and blending Teas and Coffees. It has never been our policy to purchase inferior grades for the opportunity of making a "holler" of low prices, neither do we recommend the purchase of low grade goods, believing the consumer's health at stake. For fifteen years we have been handling Spurr's Revere Teas and Coffees with steadily increasing sales, this means high standard and uniformity of quality. These goods can only be purchased from us, in Barre, and are guaranteed to please you.
